Our tuition is paid annually. Above is the monthly payment, tuition is a yearly one. Equal monthly payments are due by the 1st. Payments are not affected by vacation days, closures, holidays etc.

This fee is not applied to any part of the tuition. The class placement list is made in the order which applications and registration fees are received and the discretion of the Administrator. To maintain the quality of the program and to remain within the regulatory guidelines, it is necessary to limit the size of our sessions. Your name will be placed on a waiting list when enrollment is filled. Scripps Montessori School is a private school dedicated to academic excellence in early childhood education. It is NOT a daycare center! Extended care is provided as an additional service of the school, not as its primary function. Scripps Montessori School follows the San Diego City school calendar.

Tuition payments are due on the first school day of each month. First and last month’s tuition is due on the child’s first day of school. If a child is not in attendance for whatever reason and the tuition payment is not received, that child’s space will be filled by our waiting list. Back tuition payment and repayment of the registration fee would reinstate the enrollment provided there was sufficient space available. There is a \$40.00 late fee for payment received after the 6th of the month. Enrollment will not continue unless this fee is paid. Early arrivals and late departures shall incur extended day changes. Delinquent accounts will be carried not more than 15 days beyond the due date before enrollment is terminated. Your child has space reserved for the school year. School expenses are not significant diminished by a child’s absence.

Regretfully, no tuition allowances can be made for a child not in attendance. One month written notice is expected for withdrawal. Refunds are made only upon business transfer. Students are accepted on a tentative basis, pending a determination of suitability of the program for the child and the ability to adjust to the group environment.

Enrollment of your child assumes compliance with and support of the policies stated in the Scripps Montessori School Handbook, as well as the tuition policies stated above.
