Musical Beginnings

Toddler: Wednesdays 2:40-3:10pm (starts 9/11)

Age 3+: Wednesdays 3:30-4:10pm (starts 9/11)

Ages 4-5: Tuesdays 2:45-3:25pm (starts 9/10)

Musical Beginnings provides an opportunity for creativity, expression, discovery, enthusiasm and respect for making music. Children develop listening skills through tuning, pitch matching, imitative singing and exposure to various instruments and styles. They develop collaboration skills through partner and ensemble playing. Dexterity is developed through the use of many different instruments and coordinated movement to music.

Instruments explored: guitar, piano, ukulele, shakers, tambourine, sticks, triangle, chimes, drums, as well as instruments that make natural sounds: rain, frog, bird, ocean

We sing songs, learn to keep a steady beat, enact musical stories and make up our own melodies and songs. Curriculum centers around the fundamentals: rhythm, pitch, dynamics, note reading. Learning is supported by rhythm cards, music staff materials, and activities to do at home as desired. Many children will be ready for instrument lessons when they have completed the program.

Toddler Tuition is \$160 for Fall Semester (14 classes).

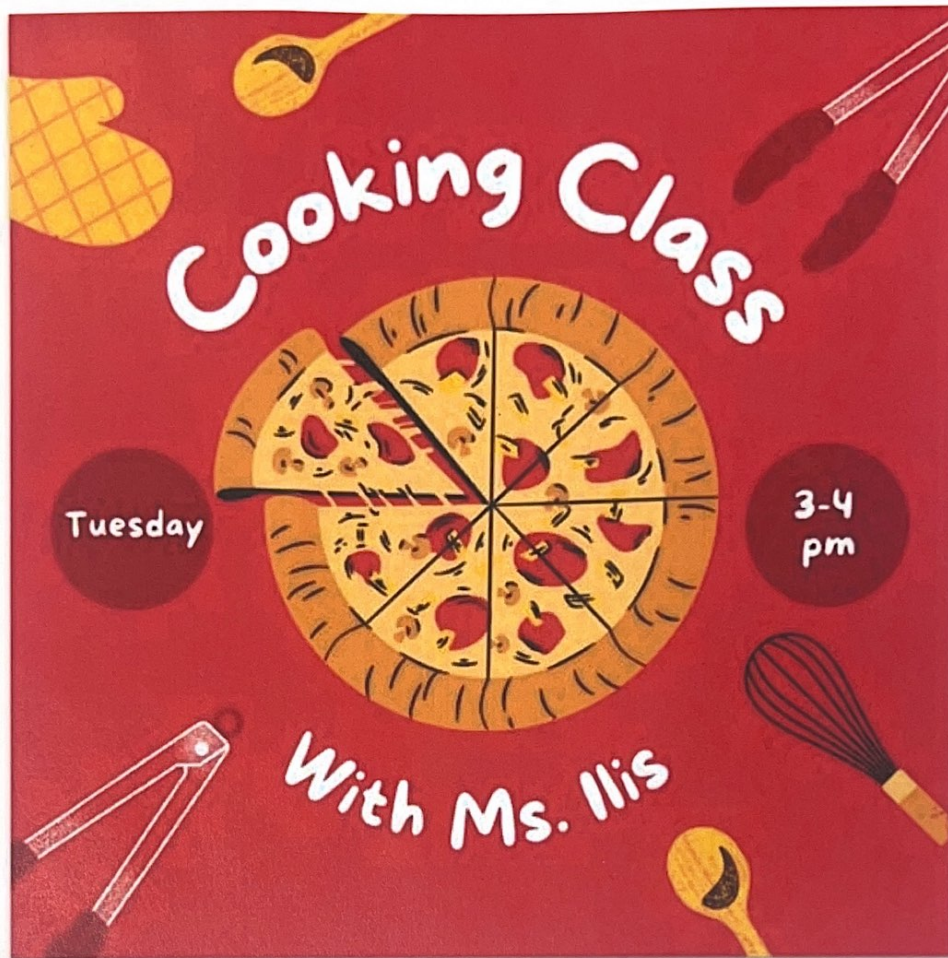

Primary Tuition is \$210 for Fall Semester (14 classes).
